

Kitten Application: VIEWPOINT Cattery www.viewpointsiamese.com viewpointsiamese@gmail.com

Please complete the application, and email back to viewpointsiamese@gmail.com

It is my hope that Viewpoint kittens will go to loving forever homes. Since I have been receiving more requests than Kittens, I need to improve my process by which homes are found and find it necessary to develop a waiting list. I have decided to have prospective owners to FULLY COMPLETE an application and I will date its arrival so that the first applications will have their requests filled as that Siamese becomes available. _____
